

Kestrel Components - supply base

Classification: Internal

Author: Procurement

Date: 2 April

1. Supplier register

Procurement consolidated the consumables supply base over the past two quarters. The register below is the working copy and lists every supplier with an active framework agreement.

Kestrel Components sources_from Vantage Materials.

Kestrel Components sources_from Pinnacle Freight.

Kestrel Components sources_from Halcyon Metals.

Kestrel Components sources_from Cobalt Tooling.

2. Operating responsibility

Two operating entities are recorded against the Corvale site. This is the arrangement inherited on acquisition and has not been restructured.

Kestrel Components operated_by Delacroix Group.

Kestrel Components operated_by Brightwater Partners.
