

Lumen Analytics - leadership and office

Classification: Internal

Author: People Operations

Date: 18 April

1. Executive team

People Operations maintains the executive register for each operating company. Two entries were changed during the period and the outgoing and incoming records were both filed rather than overwritten.

Lumen Analytics chief_executive R. Ashworth.

Lumen Analytics located_in Halden.

2. Incoming appointment

The incoming appointment was confirmed by the board on 11 April and takes effect at the start of the next financial year. The prior record is retained for the year-end audit trail.

Lumen Analytics chief_executive M. Okonjo.
